your local history society

This Christmas…

JOIN OUR SHELFIES SCHEME!

A sponsored shelf is a thoughtful and unusual Christmas gift for the Morpethian who cares about our heritage!

Help us raise funds for our museum collections rent for next year by donating an amount in your own name or as a Christmas gift for friends and family.

Looking after our collections isn't cheap. Our museum store costs around £5000 per year in rent alone to house 1300 artefacts, 2000 books and over 2000 photos/slides.

By sponsoring a shelf, unit, storage box or even single object you'll be helping ensure we keep our collections safe and can continue researching the wealth of colourful stories of bygone Morpeth and its community. Meanwhile you'll be safeguarding our heritage collections for the future as we work towards re-establishing our museum for tourists and residents back in Morpeth.

You can Adopt an Artefact (£10), Befriend a Box (£20), Sponsor a Shelf (£50) or if you're feeling even more generous as an individual or business you can Foster a Fixture (£120 for a bookcase, cabinet or other large unit), all containing fascinating items from Morpeth's social history.

In return for your sponsorship, we'll send you a certificate of thanks, in your name or that of a friend or family member as a Christmas gift or memorial, and we'll display your chosen name online, at displays and in the museum store where you'll get a chance to visit to get up close and personal with your sponsored artefacts – **you can even take a Shelfie!**

Please hand in the slip below at our event/s or send to Mrs G Snaith, 30 Wansdyke, Morpeth, NE61 3RN email: mikesnaith@aol.com and we'll be in touch!
